RELEVANCE OF MAPS IN CSE PRELIMS:

- 5-6 Direct questions, coupled with indirect ones, thus carrying a **weightage of around 10-12 Marks** in CSE Prelims, **WHICH IS HUGE!**
- **Dynamic Mapping with Current Affairs**, which helps in making **SMART GUESS** in MCQs.
- **Substantial revision** of the geography syllabus - **PHYSICAL & HUMAN GEOGRAPHY**, for Prelims as well as Mains Examination.
- A **break from monotonous textual study**, thereby increasing the **RETAINING POWER**.

GEOGRAPHY THROUGH MAPS: PROGRAMME DELIVERABLES

- **Comprehensive Coverage**- Cover all the dimensions of mapping using interactive animation and PPT in **20 Hours Only!** From Places in the news to Cultural sites, from important Geographical concepts to sites of Geographical importance.
- **Regular Home Assignments** – To ensure students learn & retain by practicing map work on their own.
- **Previous Year Questions**- Master the strategy through trend analysis & discussion of previous 8 years questions (UPSC CSE 2014-2020).
- **Mnemonics**- Get mnemonics for all important sites/organizations/geographical groupings.
Ex: TARIK for countries surrounding the Caspian Sea.
T = Tajikistan
A = Azerbaijan
R = Russia
I = Iran
K = Kazakhstan
- **'Smart Attempt Strategy' to secure 'Competitive Edge'** - Techniques of elimination and educated guess, to Maximize marks even out of seemingly difficult questions.
- **Engaging Pedagogy** - An optimum blend of Visual aids (Digital Board, PPTs) and Value add Dictations by Faculty.
- **Learning Platform**: Available Online.
