### Description

#### Course Deliverables :

**Comprehensive Coverage for All Stages:** An all round mentorship to prepare you for CSE 2021 by covering syllabus for GS (General Studies), Essay & CSAT, including both Static & Current Affairs, with a fully AI Enabled Test Series (Prelims & Mains). The students qualifying for Personality Test will be eligible for Interview Mentorship Programme.

**Regular Assessment via Tests:** Daily (End of Session)/Weekly/Monthly & Full Length Tests to equip you to Assess & Revise your Factual and Conceptual understanding with MCQs & Subjective Questions.

**Technology Based Adaptive Learning:** TABLET COURSE, for a seamless 'Study from Home' experience. The classes are taken on a Smart Board to support high quality interactive tools like Mindmaps, Infographics, Illustrations, gifs etc. while teaching.

**Assessment through Data Analytics & Mentors' feedback :** Identifying Subject wise/Chapter wise/Topic wise strengths & weaknesses through data analysis will aid in modifying the study plan under the expert driven mentorship.

**Personalised Improvement plans :** 'Individual Learning Plans', on a Monthly Basis, for each student will be devised after 4 months of data driven assessments, to ensure that you crack UPSC-CSE in your very FIRST ATTEMPT.

**Weekly Enrichment:** Most important news and the best Editorials summaries of the day from Leading National Dailies (The Hindu, Indian Express etc.), in a simplified manner, on a daily basis.

**Special Sessions by Toppers & Serving Bureaucrats:** Strategy sessions by the Toppers and Leadership & Motivational sessions by serving as well as retired bureaucrats to give an insight into the preparation strategy of the Toppers, the work profiles of civil servants and motivate the aspiring minds.
